27 October 1952

MEMORANDUM FOR:

[Redacted]
Assistant to the Director

SUBJECT : Letter from Mr. C. G. Flint dated 5 October 1952

1. On 9 October you referred to this office the attached communication from Mr. Flint to the Director for information and acknowledgement.

2. Since it is not believed to be desirable for this office to conduct correspondence with unknown and uncleared individuals, it is suggested that your office or Colonel Grogan acknowledge receipt of Mr. Flint's letter along the following lines:

Thank you very much for your interesting letter of October 5th in which you suggested a recording of the voice of the Grand Duke Vladimir and the beaming of it to the Russian people via the Voice of America.

Since the Voice of America is a responsibility of the Department of State, your proposal has been forwarded to the Department together with a copy of this letter for consideration by the VOA officials.

3. It is suggested that your office or Colonel Grogan transmit Mr. Flint's letter with a copy of our reply to the appropriate official of the Department of State.
